## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
The Idea Village, Inc.  
New Orleans, Louisiana

### **Report on the Financial Statements**

We have audited the accompanying financial statements of The Idea Village, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Idea Village, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## ***Other Matters***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Summary of Compensation, Benefits and Other Payments to Agency Heads is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued a report dated October 26, 2016 on our consideration of The Idea Village, Inc.'s internal control over financial reporting and our tests of its compliance with certain provision of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Idea Village, Inc.'s internal control over financial reporting and compliance.

THE IDEA VILLAGE, INC.  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2016 and 2015

1) Nature of activities

Founded in 2000, The Idea Village, Inc. (the “Village”) is an independent 501(c)3 nonprofit organization with a mission to identify, support, and retain entrepreneurial talent in New Orleans. The Idea Village, Inc. is the first organization with a mission solely centered on entrepreneurship in New Orleans and has played an integral role in catalyzing the city’s entrepreneurial movement. The Village is committed to growing a collaborative and inclusive entrepreneurial network for New Orleans through three core programs: IDEAVILLAGEx, New Orleans Entrepreneur Week, and IDEAlab. IDEAVILLAGEx offers support to local entrepreneurs through mentorship, educational programming, peer-to-peer learning, and access to pro bono professional services. New Orleans Entrepreneur Week is an 8-day festival celebrating innovation, entrepreneurship, and new thinking. IDEAlab is an initiative to test new programs in an effort to address specific gaps and opportunities in the New Orleans entrepreneurial ecosystem.

2) Summary of significant accounting policies

The significant accounting policies followed by the Village are summarized as follows:

(a) Financial statement presentation

The Village’s policy is to prepare its financial statements on the accrual basis of accounting, which recognizes all revenues and the related assets when earned and all expenses and the related obligations when incurred.

(b) Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and nature of any donor restrictions. Support that is not restricted by the donor is reported as an increase in unrestricted net assets. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

(c) Cash and cash equivalents

All cash-related items having a maturity of three months or less from the original maturity date are classified as cash and cash equivalents.

(d) Accounts receivable

Accounts are considered overdue if uncollected within ninety days of the original invoice. The Village writes off uncollectible accounts as they are identified. No allowance for uncollectible accounts has been provided, as management has evaluated the accounts and believes they are all collectible.

THE IDEA VILLAGE, INC.  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2016 and 2015

2) Summary of significant accounting policies (continued)

(e) Depreciation of property and equipment

Depreciation of the buildings, equipment, computers, furniture and fixtures, closing cost and leasehold improvements is provided over the estimated useful lives of the respective assets on a straight-line basis ranging from 3 to 39 years.

Property and equipment are stated at cost. Additions, renewals, and betterments that add materially to the productive capacity or extend the life of an asset are capitalized. Expenditures for maintenance and repairs, which do not extend the life of the applicable assets, are charged to expense as incurred. Upon retirement or disposal of an asset, the asset and accumulated depreciation accounts are adjusted accordingly. Any resulting gain or loss is included in the Statement of Activities.

(f) Taxes

The Village is exempt from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code. The Village has filed for and received income tax exemptions in the various jurisdictions where it is required to do so. The Village files Form 990 and Form 990 T tax returns in the U.S. federal jurisdiction and in various states.

The Village adopted the provisions of ASC 740, *Accounting for Uncertainty in Income Taxes*. Management of the Village believes it has no material uncertain tax positions and, accordingly it has not recognized any liability for unrecognized tax benefits. With few exceptions, the Village is no longer subject to U.S. federal, state and local, or income tax examinations by tax authorities for a period of three years from the filing of those returns.

(g) Fundraising

All expenses associate with the fundraising event are expensed as incurred.

(h) Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(i) Concentration of credit risk

Financial instruments that potentially subject the Village to concentrations of credit risk consist principally of cash deposits. The Village may at times have cash on deposit at financial institutions that is in excess of federally insured limits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. The Village has not experienced any losses in such accounts. The Village has no policy requiring collateral or other security to support its deposits.

THE IDEA VILLAGE, INC.  
NOTES TO FINANCIAL STATEMENTS  
For the Years Ended June 30, 2016 and 2015

2) Summary of significant accounting policies (continued)

(j) Promises to give

Unconditional promises to give are recognized when the donor makes a promise to give. Conditional promises to give are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

(k) Donated services

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Village.

The Village received volunteer help to provide consulting services to entrepreneurs and other donated services to assist with meeting and event expenses. The estimated value of the contributed services for the years ended June 30, 2016 and 2015 was \$162,494 and \$279,950, respectively.

(l) Donated property and equipment

Noncash donations are recorded as contributions at their fair values at the date of donations. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose.

(m) Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Village.

3) Restrictions on net assets

The Village operates many initiatives in the New Orleans area. The Village has several initiatives which provide services to help support entrepreneurs and to support and help grow water and water-related ventures.

In planning and performing our audit of the financial statements, we considered The Idea Village, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Idea Village, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of The Idea Village, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether The Idea Village, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
